

NEWSLETTER

WEEKLY OVERVIEW

This week, our focus is on supporting the children's smooth transition back into school and Outside School Hours Care (OSHC) following the recent cyclone. In alignment with this, we are exploring a variety of circus-themed activities to engage and inspire the children.

JUNIOR

In the junior area, we are focusing on creating personalized circus hats through a variety of arts and crafts materials. This hands-on project encourages creativity and allows the children to explore different materials and techniques.

SENIOR

In the senior area, we will be introducing the skill of juggling with three balls. We will begin with foundational techniques and gradually increase the challenge as the children gain confidence and improve their coordination.

MORE NEWS

With the school holidays approaching, Rocketeers is now accepting bookings for the holiday program. Secure your spot and ensure your child enjoys a fun and engaging experience during the break.
