WEEKLY OVERVIEW

🌟 Celebrating Mother's Day with Heartfelt Activities

This week, we are dedicating our time to crafting meaningful experiences in honor of Mother's Day. Our planned activities include:

DIY Mother's Day Cards: Engaging in creative card-making sessions, we will design personalized cards that capture heartfelt messages and artistic expressions.

Handcrafted Floral Creations: Participants will create beautiful, handmade flowers, adding a personal touch to their Mother's Day celebrations.

Cookie Decorating Session: On Friday, we will host a cookie decorating activity, allowing participants to design and embellish cookies with festive themes and flavors.

These activities aim to foster creativity and provide a platform for expressing appreciation and love towards mothers.

JUNIOR

In the Junior's area we will facilitate guided group discussions focused on expressing appreciation for mothers. These conversations will encourage students to reflect on the qualities they admire in their mothers and explore meaningful ways to make Mother's Day special.

SENIOR

In the Senior's area we will empower children to select and create personalized gifts for Mother's Day. They will have the opportunity to choose from a curated selection of crafts, such as handmade cards, painting a beautiful family picture and decorative items, allowing them to express their appreciation in a meaningful way and to say thank you for everything that our mothers do for us.

MORE NEWS

We are thrilled to announce the commencement of our 4-week Soccer Incursion, starting this Tuesday afternoon. This engaging program is designed to introduce children to the fundamentals of soccer in a fun and supportive environment. This is an opportunity for students to develop teamwork, coordination, and physical fitness.
